LONG LIVE LAKE DAYS.

Long Cove was created by Dallas' Don McNamara, the visionary developer behind Cityplace and West Village in Uptown. It began with a bold idea: to design a luxury lakefront community near Dallas that offers all the comforts of home without the hassle of upkeep. A place where you can unplug, unwind, and focus on making memories with family and friends. Featuring 1,200 acres with six miles of pristine shoreline at the clear, deep end of Cedar Creek Reservoir, Long Cove combines resort-style amenities like a community pool, Regatta Grill, pickleball courts, and a par-3 golf course to create a truly unparalleled lakeside experience.
